

# Meet Jo

How would you describe your job to a child?

I help people if their phones are not working as they should be.

What does a typical day look like for you?

Lots of emails, phone calls and keeping the Sprint Eastwood boys in order....with a couple of biscuits or a piece of cake thrown in somewhere.

What's your favourite thing about your office?

The people that are in it 😊

Tell us something that might surprise us about you:

Hardest question of them all!!!...There is absolutely nothing surprising about me, and if there was I'm not sure I'd want to share haha!

If you won the lottery, what is the first thing you would do?

Buy a big house by the coast and retire!

What is 'Weekend Jo' like?

The perfect weekend for me would be spending time with my family, shopping, dinner out and a good cocktail...or two.

What is one thing you can't live without?

Coffee!

What would you do (for a career) if you weren't doing this?

I would be a luxury travel expert and be paid to visit resorts around the world...who wouldn't want that job!?

What's your favourite place in the world?

Haven't covered even half of the places on my bucket list yet so hard to pick my most favourite . Of all the places I've been lucky enough to visit so far, I'd say Las Vegas is my favourite . Once I get to the Maldives though I think might have a different answer!

What's your guilty pleasure?

Reality TV.... I love it!
